CANADIAN GUIDE TO UNIFORM LEGAL CITATION, 7TH EDITION

McGILL LAW JOURNAL

Are you letting citation errors undermine confidence in your written presentations? Now in its 7th edition, the **Canadian Guide to Uniform Legal Citation** is your bilingual and multijuridical resource for accuracy in citing all legal materials.

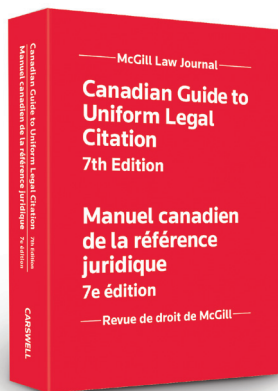

Written for all law students and legal academics, “the McGill Guide” is the official standard for citation in Canada, and is considered authoritative in many other Commonwealth jurisdictions.

The **Guide’s** straightforward and comprehensive approach has established it as an important tool for legal research and writing. Students, legal academics, lawyers, judges and periodicals all rely on it to ensure accurate citation of primary and secondary law in briefs, papers, court documents and other legal texts.

Available in softcover, the 7th edition of the Guide features vital changes to better serve your needs.

ABOUT THE AUTHORS

The Guide is produced and updated every four years by members of *McGill Law Journal’s* editorial and management boards. 2010 Editor: Svetlana Samochkine.
