Supplement to OFFICIAL RULE 8.0 National and Regional Competition Procedures

OFFICIAL RULE 8.0 The Russian National Championship Procedure

8.1 Preliminary Rounds

8.1 Each Team participating in the Russian National Championship shall participate in Preliminary Rounds consisting of four (4) Oral Rounds, twice as Applicant and twice as Respondent.

8.1.1 Pairings

For the purpose of pairings in the Preliminary Rounds, Teams shall be placed into groups of five Teams (“Groups”). Each Team shall compete against each of the four Teams in its Group once, competing twice as Applicant and twice as Respondent. The National Administrator shall assign Teams into Groups in accordance with the ‘power seeding’ principle, based upon the Teams’ Memorials rankings, so as to evenly distribute the higher and lower seeded Teams among the Groups.

For the purpose of determining pairings only, penalties shall not be taken into consideration.

By way of illustration, if twenty teams participate in the National Rounds, they shall be divided into Groups as follows:

Group 1: Teams ranked 1, 8, 9, 16, 17

Group 2: Teams ranked 2, 7, 10, 15, 18

Group 3: Teams ranked 3, 6, 11, 14, 19

Group 4: Teams ranked 4, 5, 12, 13, 20

In the event that the number of Teams competing in the competition is not evenly divisibly by five, the National Administrator shall, in consultation with the ILSA Executive Director, assign the Teams to Groups so as to adhere to the principles and spirit of this Rule.

The Administrator may modify the pairings to account for absent Teams or other contingencies. If Teams must be newly paired, they must be provided with their new opponents’ Memorials as soon as reasonably possible, but at the very least fifteen (15) minutes prior to the start of the newly paired round.

8.2 Advanced Rounds

The Advanced Rounds of the Russian National Championship consist of the Run-off Rounds (if applicable in accordance with Rule 8.2.1 below), the Octafinal Rounds (if applicable in

accordance with Rule 8.2.2 below), the Quarterfinal Rounds, the Semifinal Rounds and the Final Round of the Russian National Championship.

The pairings in the Run-off (or, if applicable, Octafinal Rounds), Quarterfinal and Semifinal Rounds of the Russian National Championship shall be determined by use of "power-seeding", i.e. the highest-ranked Team shall compete against the lowest-ranked Team; the second-highest-ranked Team shall compete against the second-lowest-ranked Team, etc. For purposes of this Rule, all rankings shall be determined by the final standings of the Preliminary Rounds.

Prior to each of the Advanced Rounds, the Russian National Administrator shall toss a coin, and the higher-ranked Team in that pairing shall call the toss. The Team winning the toss shall select which side it will argue within twenty (20) minutes. If that Team fails to make a selection, the other Team shall select which side it will argue within ten (10) minutes. If that Team fails to make a selection, then the higher-ranked Team shall argue Applicant and the lower-ranked Team shall argue Respondent.

The Russian National Administrator will then notify each Team which side it will be arguing and will deliver to each Team one copy of its opponent's Memorial.

8.2.1 Run-off Rounds

If forty (40) to fifty (50) teams participate in the Russian National Championship, the Run-off Rounds shall be held. The Run-off Rounds consist of four (4) pairings of the eight (8) Teams ranked fifth (5th) through twelfth (12th) from the Preliminary Rounds.

If more than fifty (50) teams participate in the Russian National Championship, the Russian National Administrator, acting in the best interests of the Competition, may choose to replace Run-off Rounds with Octafinal Rounds. The Octafinal Rounds shall consist of eight (8) pairings of the sixteen (16) Teams ranked first (1st) through sixteenth (16th) from the Preliminary Rounds.

8.2.3 Quarterfinal Rounds

(a) If the Run-off Rounds are held, the Quarterfinal Rounds of the Russian National Championship shall consist of four (4) pairings of the four (4) Teams ranked first (1st) through fourth (4th) from the Preliminary Rounds, and the 4 (four) Teams that win a match in the Run-off Rounds.

(b) If the Octafinal Rounds are held, the Quarterfinal Rounds of the Russian National Championship shall consist of four (4) pairings of the eight (8) Teams that win a match in the Octafinal Rounds.

(c) If neither the Run-off Rounds nor the Octafinal Rounds are held, the Quarterfinal Rounds of the Russian National Championship shall consist of four (4) pairings of the eight (8) teams ranked first (1st) through eighth (8th) from the Preliminary Rounds.

The Semifinal Rounds of the Russian National Championship consist of two (2) pairings of each of the four (4) Teams that win a match in the Quarterfinal Rounds.
