U.S. NATIONAL SUPPLEMENT TO OFFICIAL RULE 1.0 ORGANIZATION OF THE COMPETITION

1.1 Obligation to Host; Conditional Status Preferences and Penalties

Each school is obligated to host a Regional Competition at least once every twelve years it participates in the Competition. This obligation entails the provision of facilities only and does not obligate the host to administer or cater the Regional Competition.

1.2 Conditional Status

Regional Host Schools shall not be required to take more than thirty Teams per Region. Regional Host Schools may also fulfill their hosting obligation by securing an off-campus venue. If the number of registered Teams exceeds the number of participation slots available, the Executive Director may disqualify one or more schools that are overdue in their hosting obligation with a refund of participation fees.

The Executive Director may also give lower priority to schools that are overdue in their hosting obligation when assigning Teams to geographically-convenient Regional Competitions.

1.3 Host Application Procedure

Applications to Host future Regional Competitions may be submitted, in writing, to the Executive Director at any time.

1.5 Host School Privileges

ILSA will waive the participation fee for Teams from schools that host a Regional Competition.

U.S. NATIONAL SUPPLEMENT TO OFFICIAL RULE 2.0 PARTICIPATION AND ELIGIBILITY

2.1 Registration of Teams

All participating schools shall register for the Competition by the date indicated for U.S. Teams in the Official Schedule.

2.2 Withdrawal of Teams from Competition

2.2.1 General

Withdrawal from the Competition after the deadline for submission of Team Rosters indicated in the Official Schedule will result in a 20% forfeiture of the registration fee. Withdrawal from the

Competition after December 31, but before the deadline for submission of Memorials, will result in a 50% forfeiture of the registration fee. Withdrawal from the Competition after the deadline for submission of Memorials will result in forfeiture of the entire registration fee.

2.2.2 Late Withdrawal

If a Team fails to notify the Executive Director of its withdrawal before the deadline for submission of Memorials, the Executive Director may disqualify that Team's school from participating in the following year's Competition.

2.3 Selection of Teams

2.3.1 Administration by the International Law Society - Right of First Refusal

Subject to Supplemental Rule 2.3.4, the ILSA Chapter at each school has the first right to administer a Team or tryouts for a Team.

2.3.2 Administration by Faculty Advisor

If the ILSA Chapter does not administer the Team or tryouts, the Chapter may delegate the administration of the Team or tryouts to a faculty member who will be the Jessup Team's Faculty Advisor. In instances where a special Jessup class is established, the Faculty Advisor, or other individual(s) teaching the class, shall not violate the provisions of the Official Rules regarding assistance to teams in the administration of the class.

2.3.3 Administration by Moot Court Boards

The ILSA Chapter may delegate administration of the Team or tryouts to the school's Moot Court Board or equivalent body. If there is no ILSA Chapter at a school, the school may delegate the administration of the Team or tryouts to a faculty member, Moot Court Board or other equivalent body.

2.3.4 Open Try-Outs

All students in good standing must be given an equal opportunity to try out for the Team. Participation shall not be conditioned upon participation in any other moot court program or competition. Participants may not be selected in any manner that would violate the Official Rules.
