

This Rules Supplement applies only to the US Regional Rounds. It is to be read in conjunction with the Official Rules, and takes precedence if there is a conflict.

8.0 REGIONAL COMPETITION PROCEDURES

8.1 Date and Place of Regional Competitions

There is no single U.S. Qualifying Competition. In each of the six Regional Competitions, the two Teams that win the Semi-Final rounds will advance to the White & Case International Rounds. The Final match at each US Regional determines seeding for the International Rounds.

8.2 Regional Assignments and Pairings

The ILSA Executive Office will assign Teams to Regional Competitions. The Regional Administrators and the ILSA Executive Office will jointly devise the Preliminary Rounds pairings for each Regional Competition. Teams may not select the Regional in which they compete unless that right is expressly granted. ILSA will make reasonable attempts to accommodate well founded requests to participate in a particular Region. All such requests must be submitted to jterrenzio@ilsa.org by November 15, 2013. Regional assignments will be available through Team Homepages by November 25, 2013 at the latest. Preliminary Rounds pairings for each Regional Competition will be available on the Regional Round page for the Regional the Team is assigned to at least two weeks prior to the competition.

8.3 Distribution of Memorials

Each team shall receive the memorials of their scheduled opponents for the Preliminary Rounds at least two weeks prior to the Regional Competition.

8.4 U.S. National Champion

The U.S. National Champion will be declared at the White & Case International Rounds. The U.S. National Champion will be the U.S. Team that proceeds the furthest in the Advanced Rounds of the White & Case International Rounds. In the event that two or more U.S. Teams tie for the furthest advancement, or in the event that no U.S. Team proceeds to the Advanced Rounds, the U.S. National Champion shall be the U.S. Team that advanced furthest and was ranked highest overall in the Preliminary Rounds.
