## **10. Supplement to Official Rule 7.13 on Scouting**

- 10.1. There are two types of scouting, both of which are prohibited: “Direct Scouting” and “Indirect Scouting”.
- 10.2. “Direct Scouting” occurs when a Team or anyone directly affiliated to the Team attends an Oral Round involving any Team against which the Team is scheduled to compete in a future Oral Round.
- 10.3. “Indirect Scouting” occurs when: (1) a Team or anyone directly affiliated to the Team attends an Oral Round involving none of the Teams it is scheduled to compete, in a future Oral Round; or (2) anyone directly affiliated to the Team, apart from those who are competing and their registered Coach(es)/Advisor(s), takes notes in any form and/or uses any kind of electronic devices for audio recording, picture taking, and/or video recording during the entire or parts of the oral pleadings without obtaining prior permission as set forth in Section 7.15 of the 2018 Official Rules.
- 10.4. Each Team that proceeds to the Advanced Rounds must expect to be scheduled against any other Team. Thus, the Team and anyone directly affiliated to the Team shall not attempt to attend any Oral Round their respective Team is not assigned to.
- 10.5. Each Team that does not proceed to the Advanced Round(s) or anyone directly affiliated to the Team may attend any Oral Round provided that none of the competing Teams raises objection to the Committee.
- 10.6. Every Team shall register all spectators whom they allow to attend their Oral Rounds by submitting the names (as printed in their photo ID) to the Committee at the latest

during the Technical Meeting. The registration shall (1) grant the spectator(s) entrance to the courtroom in which the Team is competing and (2) prove Direct Affiliation between the Team and the spectator(s). The Team shall exclusively bear the responsibility for every action of its Registered Spectator(s), including, but not limited to, if a Registered Spectator attend a wrong round and commits an act of Scouting. Thus, the Committee strongly suggests the Team to be selective when they register their spectators. Non-Registered Spectators shall be denied entrance to a courtroom in the case the Committee conducts ID check on the courtroom.

- 10.7. If a university sends both Competitor and Observer, the Observer shall automatically have Direct Affiliation to the Competitor and thus is subject to Article 10.2 to 10.4 above. Otherwise, Observers shall have unlimited access to all proceedings for the purpose of learning.
- 10.8. A Team which commits Direct Scouting during the Preliminary Rounds forfeits all nine (9) Oral Round Points in the future Preliminary Round (or Rounds) in which it competes against the Team (or Teams) which it scouted. Forfeiting all nine (9) Oral Round Points will automatically grant the winning point of that Round to the scouted team.
- 10.9. A Team which commits Indirect Scouting during the Preliminary Rounds forfeits one number of wins. For example, if the Team won four Preliminary Rounds, its total number of wins shall be reduced to three, without other adjustment to its Total Raw Points or Total Round Points. This adjustment shall occur prior to the determination of final Preliminary Round rankings described in Section 10.5 of the Official Rule.
- 10.10. Scouting in the Advanced Rounds amounts to an automatic forfeit from the said Advanced Rounds. In the event that Scouting is discovered only after the subsequent

round(s) has been held, such forfeit(s) shall have no retroactive effect on the seeding of such subsequent rounds, but will still disqualify the Team from the Competition.

10.11. This Rule cannot be: (1) invoked by any Team that is not directly affected by the Scouting; (2) maliciously used to harm any Team in the Competition; and (3) applied in the Final Round.

#### **11. Supplement to Official Rule 11.1 on Memorial Penalties**
