⁴ Official Rule 8.2 – The pairing of Teams for Preliminary Rounds shall be done, in the first instance, by a random draw. Pairings and Memorials of opposing Teams will be distributed to Teams on or prior to the first day of the Qualifying competition. The Administrator may modify the pairings to account for absent Teams or other contingencies. If Teams must be newly paired, they must be provided their new opponents' Memorials as soon as reasonably possible, but at the very least 15 minutes prior to the start of the newly-paired round.

4.2.2 The pairings for the Quarterfinal Rounds will be determined by “*power-seeding*” in accordance with **Section 8.3 of the Official Rules**.⁵ The higher-ranked team of each pairing reserves the right to choose which side (Applicant or Respondent) they will argue in that round.

4.3 SEMIFINALS ROUNDS

5.3.1 The Semi-final Rounds shall be held among the four (4) winning teams from the Quarterfinal Rounds in order to determine which Teams shall advance to the Championship Round.

The registration shall (1) grant the spectator(s) entrance to the courtroom in which the Team is competing and (2) prove Direct Affiliation between the Team and the spectator(s). The Team shall exclusively bear the responsibility for every action of its registered spectator(s), including, but not limited to, if a registered spectator attends a wrong round and commits an act of Scouting.

⁵ Official Rule 8.3 – If 16 or more Teams are participating in a Qualifying competition, the Administrator may hold Quarterfinal Rounds consisting of four matches among the eight highest-ranking Teams from the Preliminary Rounds. In such Quarterfinal Rounds, the pairings shall be determined by “*power-seeding*” as follows: the eighth-ranked Team versus the first-ranked Team, the seventh-ranked Team versus the second-ranked Team, the sixth-ranked Team versus the third-ranked Team, and the fifth-ranked Team versus the fourth-ranked Team.

4.5 SCOUTING

4.2.1. There are two types of scouting, both of which are prohibited: “Direct Scouting” and “Indirect Scouting”.

4.2.2. “Direct Scouting” occurs when a Team or anyone directly affiliated to the Team attends an Oral Round involving any Team against which the Team is scheduled to compete in a future Oral Round.

4.2.3. “Indirect Scouting” occurs when: (1) a Team or anyone directly affiliated to the Team attends an Oral Round involving none of the Teams it is scheduled to compete, in a future Oral Round; or (2) anyone directly affiliated to the Team, apart from those who are competing and their registered Coach(es)/Advisor(s), takes notes in any form and/or uses any kind of electronic devices for audio recording, picture taking, and/or video recording during the entire or parts of the oral pleadings without obtaining prior permission as set forth in **Section 7.15 of the Official Rules.**⁷

4.2.4. If a university sends both Competitor and Observer, the Observer shall automatically have Direct Affiliation to the Competitor and thus is subject to Article 4.2.1 above. Otherwise, Observers shall have unlimited access to all proceedings for the purpose of learning.

4.2.5. Each Team that proceeds to the Advanced Rounds must expect to be scheduled against any other Team. Thus, the Team and anyone directly affiliated to the Team shall not attempt to attend any Oral Round their respective Team is not competing in.

⁷ Official Rule 7.15 – No audiotaping or videotaping of oral pleadings is permitted without the advance permission of the entire panel of judges, the two participating Teams, and either the Administrator or the Executive Director. In no circumstances may participating Teams view or listen to any video or audiotape of an Oral Round until after the completion of the Competition in which the taped Oral Round took place. ILSA reserves all rights to the audiotaping and videotaping, or any other form of audio or visual reproduction, of any Oral Round or part thereof. All Teams participating in the World Championship Jessup Cup Round will be deemed to have consented to the taping and broadcasting of that Oral Round.

4.2.6. Each Team that does not proceed to the Advanced Round(s) or anyone directly affiliated to such Team may attend any Oral Round provided that none of the competing Teams raises objection to the Committee.

4.2.7. Direct Scouting during the Preliminary Rounds amounts to a forfeit of all nine (9) Oral Round Points in the future Preliminary Round (or Rounds) in which it competes against the Team (or Teams) which it scouted. Forfeiting all nine (9) Oral Round Points will automatically grant the winning point of that Round to the scouted team.

4.2.8. Indirect Scouting during the Preliminary Rounds amounts to a forfeit of one number of wins.

*Note – for example, if the Team won four Preliminary Rounds, its total number of wins shall be reduced to three, without other adjustment to its Total Raw Points or Total Round Points. This adjustment shall occur prior to the determination of final Preliminary Round rankings described in **Section 10.8 of the Official Rules.**⁸*

4.2.9. Scouting in the Advanced Rounds amounts to an automatic forfeit from the said Advanced Rounds. In the event that Scouting is discovered only after the subsequent round(s) has been held, such forfeit(s) shall have no retroactive effect on the seeding of such subsequent rounds, but will still disqualify the Team from the Competition.

4.2.10. This Rule cannot be: (1) invoked by any Team that is not directly affected by the Scouting; (2) maliciously used to harm any Team in the Competition; and (3) applied in the Final Round.

⁸ Official Rule 10.8 sets out the considerations for determining Preliminary Round Rankings.

4.6 JUDGES

5.6.1. Judges of the oral rounds will be selected in accordance with the spirit of **Section 5.0 of the Official Rules.**⁹ Judges of the oral rounds are required to disclose any affiliation with a school, coach, or Team member, including but not limited to being an alumnus of the Team's university.

5.6.2. The National Administrator shall use best endeavours to avoid placing a judge into an oral round in which he or she has an affiliation. In the event that this is not possible, the National Administrator shall ensure that: (1) no more than 1 affiliated judge is placed in an oral round and (2) that said affiliated judge does not act as the President in that oral round.
