Shed the yoke of oppression by those who would desecrate our Shrine and deny our traditions.

15 FEBRUARY 2021 / COURT # _____
FEDERAL COURT, CITY OF ANTARA, DEMOCRATIC REPUBLIC

While freedom of expression is an important right in a democracy, it is not absolute. Our laws protect our electoral system, defend the integrity of our political structure, and promote security in our land. I specifically reject the Professor's argument that he was merely exercising his right to free speech: there is no right to spread lies or to incite bloodshed, putting lives at risk and threatening public order.
